EMPLOYMENT HISTORY:

- 2008 – Present **CARMAN & ASSOCIATES FIRE INVESTIGATION**
www.carmanfireinvestigations.com
Grass Valley /Dunsmuir, California
President/Owner of a fire investigation, consulting and training firm specializing in expert analysis of fire and explosion events and fire protection engineering issues.
- 2006 – 2012 **COGSWELL POLYTECHNICAL COLLEGE**
Sunnyvale, California
Adjunct instructor in the Fire Science department specializing in the areas of fire dynamics, incendiary fire analysis and investigation, and fire protection structure and systems design.
- 2004 – 2008 **BUREAU OF ALCOHOL, TOBACCO, FIREARMS and EXPLOSIVES**
Redding, California Satellite Office
Senior Special Agent / Certified Fire Investigator
Federal Criminal Investigator responsible for investigating violations of the federal firearms, explosives and arson statutes. Primary emphasis focused on the investigation of fires and explosions and the determination of the origin and cause of those events.
- 1988 - 2004 **BUREAU OF ALCOHOL, TOBACCO AND FIREARMS**
Sacramento, California Field Office
Senior Special Agent / Certified Fire Investigator

1987 - 1988

EIGEN, Inc.
Nevada City, California

Mechanical Engineering

1986 - 1987

SEAGATE TECHNOLOGY
Scotts Valley, California

Chemical Process Engineering

1980 - 1986
(Active)

U.S. COAST GUARD
Commissioned Officer

1986-2001
(Reserve)

1980-1982

Operations Officer, USCG Cutter BLACKHAW
San Francisco, California

1982-1984

Commanding Officer, USCG Cutter CAPE JELLISON
Seward, Alaska

1984-1986

Controller, USCG Pacific Area Operations / Rescue
Coordination Center, Alameda, California

1986-1999

Commanding Officer, USCG Cutter CAPE ROMAIN - Reserve
Crew, San Francisco, California

1999-2001

USCG High Endurance Cutter Reserve Crew
Alameda, California

DO NOT DISCLOSE **NOT RETAINED** **Expert**

FORMAL EDUCATION:

CALIFORNIA POLYTECHNIC STATE UNIVERSITY, SAN LUIS OBISPO (2010-2013)
San Luis Obispo, California

2013 Graduated with M.S. with Distinction in Fire Protection Engineering

U.S. COAST GUARD ACADEMY (1976-1980)
New London, Connecticut

1980 Graduated with B.S. with High Honors in Physical Science
(emphasis - Chemistry)

CALIFORNIA STATE UNIVERSITY, SACRAMENTO

1987 - Graduate studies in Advanced Engineering Mathematics

UNIVERSITY OF MARYLAND, UNIVERSITY COLLEGE

May 1995 **FIRE DYNAMICS** (3 semester hours)
May 1996 **APPLICATIONS OF FIRE RESEARCH** (3 semester hours)

ADDITIONAL ASSIGNMENTS/ POSITIONS:

2013- Present **Member, Editorial Board, Fire Technology Journal**
Appointed to Editorial Board of the world's leading journal on
issues related to fire science and technology.

2008 – 2011 **Member, Board of Directors of the IAAI**
Elected member of the International Association of Arson
Investigator's Board of Directors.

2008 - Present **Member, Training Committee, IAAI**
Serving as training designer and consultant for the various
worldwide training programs for the IAAI.

2008 – Present **Member, Training Committee, CCAI**
Serving as training consultant for the various training programs
for the California Conference of Arson Investigators.

DO NOT DISCLOSE - Non Retained Expert

1992 - 2008

ATF San Francisco Division Response Team

Serving as a Certified Fire Investigator assigned to conduct investigations of major fire and explosions not meeting the requirements to activate the National Response Team.

1991 - 2000

ATF National Response Team

Conducted investigations of major fires and explosions as part of a 10-15 person rapid response team. Assigned duties include origin and cause determination; still and video photography; scene sketching; interviewing; and evidence collection and preservation.

INTERNATIONAL ASSOCIATION OF BOMB TECHNICIANS AND INVESTIGATORS

Principal Subject Matter Expert for the design/creation of two CFITrainer.net training modules, "**Marine Fires**" and "**Understanding Post Flashover Fire Behavior**". CFITrainer.net is the worldwide, online training program of the International Association of Arson Investigators.

One of two Subject Matter Experts for the 2012-2013 rewrite of the National Fire Academy's class on **Fire Dynamics and Fire Modeling**.

Design Team member for *InterFIRE VR*, the first interactive CD-based fire investigation

training tool

Sacramento-Sierra Regional Arson Task Force - Founding Member

Shasta / Siskiyou County, California Arson Task Forces

FIRE / EXPLOSION INVESTIGATION EXPERIENCE:

Examined/investigated more than 550 fire and/or explosion scenes with an average dollar loss of more than \$1,000,000 per incident. The majority of these fires involved buildings, more than 160 of which were commercial structures. Have set and/or observed approximately 250 test fires and participated in/observed over 100 explosions consisting of either low or high explosives or combustible fuel gas mixtures.

PROFESSIONAL CERTIFICATIONS:

- | | |
|-----------|-------------------------------------------------------------------------------------------------------------|
| Aug 2013 | Re-certified as a Fire Investigator (AAI-CFI), by the International Association of Arson Investigators |
| Jan 2011 | Certified Fire and Explosion Investigator (CFEI)
National Association of Fire Investigators |
| Sept 2008 | Certified HAZWOPER Hazardous Materials Specialist |
| Aug 2008 | Certified Fire Investigator (IAAI-CFI), International Association of Arson Investigators |
| July 2008 | Licensed Private Investigator, State of California, license number 26066 |
| Apr 1995 | Certified Fire Investigator, State of California |
| Nov 1995 | Certified Hazardous Materials Technician/Specialist |
| Oct 1993 | Certified Fire Investigator (ATF CFI), U.S. Bureau of Alcohol, Tobacco & Firearms, Certificate Number 03-01 |
| Nov 1984 | Master's License, US Merchant Marine, vessels to 1,600 gross tons, |
| Nov 1984 | Second Mate's License, US Merchant Marine for vessels of unlimited tonnage |

EXPERT WITNESS TESTIMONY:

California Superior Court, County of Madera

Testified in trial of California v. Kenneth Jackson/Alice Waterman
Criminal Cases SCR013981A and SCR013981B, April 21-22, 2014

State of California v. Sierra Pacific Industries, et. al., Sacramento, California
Deposition taken April 11-12 & 30, 2013

Superior Court, County of Fresno, Fresno, California

Testified in trial of California vs. Zachary Taylor (2nd trial)
Criminal Case F12900297, Oct 16, 2012

Superior Court, County of Fresno, Fresno, California

Testified in trial of California vs. Zachary Taylor
Criminal Case F12900297, July 17, 2012

U.S. Magistrate's Court, Eastern District of California

Testified in Innocence Project Evidentiary Hearing on behalf of Petitioner,
George A. Souliotes v. Anthony Hegpeth, Warden, et al.,
Case No. 06-CV-0667 QVW WMW HC
Testimony given January 24, 2012

Superior Court, County of Solano, Fairfield, California

Testified in trial of California vs. Shetarra James
Criminal Case FCR277383, November 8, 2011

U.S. v. Sierra Pacific Industries, et. al., Sacramento, California

Deposition taken August 30, 2011

Superior Court, County of Alameda, Oakland, California

Testified in civil trial in Sasser v. Allstate Insurance, March 2011

Sasser v. Allstate Insurance, Deposition taken Jan 28, 2011

Collier v. Windsor Fire Protection District, Deposition taken

June 2010

U.S. District Court, Eastern District of California

Testified in U.S. v. Sundeeep Dharni, July 2007

Superior Court, County of Shasta, Redding, California

Testified in Preliminary Hearing in State of California vs. David Dillion, May 2006

U.S. District Court, District of Nevada

Testified in civil trial of Nationwide Mutual Insurance v.
Robert Reed, May 2003

Superior Court, County of Sacramento, Sacramento, California

Testified in criminal trial in State of California vs. James A. Wirt, July 2002

Superior Court, County of Yolo, Woodland, California

Testified in Criminal Trial in State of California vs. Richard Earl Ewing & Kevin Wayne
Dunnigan, May 2001

Nevada Superior Court, County of Elko, Elko, Nevada

Testified in Criminal Trial in People of Nevada vs. Robert Reed, April 2001

Superior Court, County of Yolo, Woodland, California

Testified in Preliminary Hearing in State of California vs. Richard Earl Ewing & Kevin
Wayne Dunnigan, January 2000

U.S. District Court, Eastern District of California

Testified in U.S. v. Tam Huu Lam, May 1998

U.S. District Court, Eastern District of California

Testified in U.S. v. Pappadopoulos, May 1993

Several Civil Depositions

Numerous Federal Grand Jury Sessions

SPECIALIZED TRAINING RECEIVED:

- Feb 2013 **Insurance Committee on Arson Control (ICAC) 2013**
ICAC Seminar, Destin, FL (14 hours)
- Jan 2013 **Fire & Materials 2013**
Training in topics of fire science and engineering, fire testing, behavior of materials in fire and fire investigation. Training was conducted in San Francisco, CA and sponsored by Interscience Communications, London, England. (24 hours)
- Apr 2012 **IAAI Annual International Training Seminar**
Numerous topics related to fire dynamics/fire science
Dover, Delaware (28 hours)
- May 2011 **IAAI Annual International Training Seminar**
Numerous topics related to fire dynamics/fire science
Las Vegas, Nevada (32 hours)
- Jan 2011 **Fire & Materials 2011**
Training in topics of fire science and engineering, fire testing, behavior of materials in fire and fire investigation. Training was conducted in San Francisco, CA and sponsored by Interscience Communications, London, England. (24 hours)
- Sept 2010 **International Symposium on Fire Investigation Science and Technology 2010**
University of Maryland, College Park, Maryland
(24 hours)
- July 2010 **Interflam 2010**
Training in topics related to fire science and engineering, fire testing, behavior of materials in fire and fire investigation. Conference held at the

University of Nottingham and sponsored by Interscience Communications, London, England. (24 hours)

- June 2009 **FI-210, Wildland Fire Investigation**
Investigation of wildland fires
Butte College, Chico, California (40 hours)
- May 2009 **IAAI Annual International Seminar**
Numerous topics related to fire dynamics/fire science
Arlington, Texas (32 hours)
- Jan 2009 **Fire & Materials 2009**
Training on various topics related to fire science and engineering, fire testing, behavior of materials in fire and fire investigation. Training was conducted in San Francisco, CA. Sponsored by Interscience Communications, London, England. (24 hours)
- Nov 2008 **California Conference of Arson Investigators Semi-Annual Conference / NFPA 921 Update**
Topics related to updates contained in the 2008 edition of *NFPA 921, Guide to Fire and Explosion Investigation*. 2008 Fall Conference of the Calif. Conference of Arson Investigators, San Luis Obispo, California (16 hours)
- June 2008 **ATF CFI Recertification**
Training in the science and engineering related to conducting scientific burn tests and collecting appropriate thermal, video, and photographic data
Wilmington, North Carolina (40 hours)
- May 2008 **International Symposium on Fire Investigation Science and Technology**
University of Cincinnati, Cincinnati, Ohio (24 hours)
- Apr 2008 **IAAI Annual International Seminar**
Numerous topics related to fire dynamics/fire science
Denver, Colorado (40 hours)
- Mar 2008 **Crisis Management for Fire/Explosion**
Federal Law Enforcement Training Center, Brunswick, Georgia (24 hours)
- Mar 2008 **Minnesota IAAI Annual Conference**
St. Cloud, Minnesota (20 hours)
- Mar 2008 **California Conference of Arson Investigators Spring Conference**

Various topics in electrical fire investigation
San Luis Obispo, California (20 hours)

- Jul 2007 **Advanced Fire Modeling – FDS Seminar**
Advanced training and use of Fire Dynamics Simulator,
FLETC, Brunswick, GA (40 hours)
- May 2007 **IAAI Annual International Seminar**
Numerous topics related to fire dynamics/fire science
Victoria, British Columbia, Canada (32 hours)
- Mar 2007 **California Conference of Arson Investigators Spring
Conference**
Various topics related to fire dynamics/fire science
San Luis Obispo, California (16 hours)
- Aug 2006 **ATF CFI Recertification**
Training in the science and engineering related to fire causes in the chemical
process industry; the Dept. of Defense Medical Examiner program; and other
topics, FLETC, Brunswick, GA(40 hours)
- May 2006 **IAAI International Seminar**
Numerous topics related to fire dynamics/fire science
Denver, Colorado (40 hours)
- Oct 2005 **2005 Conference of Nevada Chapter of the IAAI**
Training on various topics related to the science and investigation of fire
including various aspects of fire dynamics, methamphetamine lab
investigation, and fire resources in the UK. (24 hours)
- Mar 2005 **ATF CFI Recertification**
Advanced training in the science and engineering related to electrical
systems and related fire causes, photography, advanced fire dynamics and
other topics, Ammendale, MD (40 hours)
- Jan 2005 **Fire and Materials Conference, 2005**
Training on various topics related to fire science and engineering of fire testing,
fuel/oxidation materials and investigation. Training was held in San Francisco,
CA. Sponsored by Interscience Communications, London, England. (16 hours)
- Oct 2004 **Advanced Fire Dynamics Simulator Training**
Training in theory and use of Fire Dynamics Simulator and Smokeview, ATF

Fire Research Lab, Ammendale, MD

- Aug 2003 **ATF CFI Recertification / ATF Fire Research Laboratory Introduction**
Training related to the capabilities of the newly opened Fire Research Laboratory. Ammendale, MD (40 hrs)
- Apr 2003 **IAAI International Seminar**
Numerous topics related to fire dynamics/fire science
Sparks, Nevada (40 hours)
- Dec 2002 **Forensic Homicide/Death Investigation**
Training in the forensic aspects of homicide and death investigations
Las Vegas, NV (40 hours)
- Sep 2002 **Appliance Fire Investigation**
Training in electrical & gas appliance fires presented by Jack Sanderson,
Central Oregon Chapter, IAAI
Bend, Oregon (16 hours)
- Aug 2002 **ATF CFI Recertification / Shipboard and Wildland Fire Investigation**
Training related to shipboard systems, marine fire investigation, and
wildland fire investigation. Williamsburg, VA (72 hours)
- Jun 2002 **Combustion Explosions - Mechanisms and Investigations**
Offered by U.C. Davis Extension in Sacramento, CA (16 hours)
- Feb 2002 **Advanced Fire and Arson Seminar**
Training related to advanced aspects of fire behavior, fire scene reconstruction,
heat release rates and wood ignition. Grants Pass, OR; Oregon Chapter of the
IAAI (24 hours)
- May 2001 **ATF CFI Recertification / Computerized Architectural Drawing**
Training related to computerized architectural drawing for fire scene
documentation as well as a hazardous materials refresher. Monterey, CA (40
hours)
- Jan 2001 **Fire and Materials Conference, 2001**
Training on topics related to the science and engineering of fire as related to
various materials. Training held in San Francisco, CA. Sponsored by
Interscience Communications, London, England. (24 hours)
- Mar 2000 **ATF CFI Recertification / Electrical Fire Investigation**

Training related to scientific analysis of fire scenes with emphasis on electrical systems, failures, and causal factors. Kinston, NC (80 hours)

- Feb 2000 **ATF National Response Team Training**
Training on various topics related to investigations of large scale fire/explosion scenes. Fort Worth, TX (40 hours)
- Nov 1999 **Investigation of Electrical Appliance Related Fires**
IAAI / AHAMA sponsored training on electrical appliance fires, Reno, Nevada (20 hours)
- Sep 1999 **ATF National Forensic Accountant/Audit Conference**
Expert witness training, Orlando, Florida (24 hours)
- May 1999 **IAAI International Seminar**
Numerous topics related to fire dynamics/fire science Las Vegas, Nevada (40 hours)
- May 1998 **ATF CFI Recertification**
Conference focused on fire dynamics, and various aspects of electrical fire investigation.
Portland, Oregon (40 hours)
- May 1998 **IAAI International Seminar**
Several topics related to fire science/fire dynamics
Portland, Oregon (40 hours)
- Aug 1997 **Thermal Measurement Theory and Procedures**
ATF Certified Fire Investigator Training
Sandia National Laboratories, Albuquerque, New Mexico (80 hours)
- Sep 1996 **Hazardous Materials Refresher**
University of Maryland, College (8 hours)
- Jun 1996 **Advanced Fire Investigation**
ATF Certified Fire Investigator Training
University of Maryland, College Park, Maryland (80 hours)
- Nov 1995 **Hazardous Materials Training**
California Specialized Training Institute
Roseville, California (40 hours)
- Jun 1995 **Advanced Fire Case Studies - Fire Modeling**
ATF Certified Fire Investigator Training

University of Maryland, College Park, MD (80 hours)

Sep 1994 **Analytical Interviewing**
Bureau of ATF
FLETC, Glynco, Georgia (40 hours)

Jun 1994 **Analytical Fire Scene Reconstruction**
ATF Certified Fire Investigator Training
New Orleans, Louisiana (64 hours)

Dec 1993 **Analysis of Low Explosives**
Forensic analysis of low explosive materials
California Department of Justice (40 hours)

Oct 1993 **Specialized Fire Modeling Training for FPET001**
Fairfax, Virginia (40 hours)

Jun 1993 **Dynamics of Building Fires II**
University of Maryland, Dept. of Fire Protection Engineering, College Park,
Maryland (80 hours)

Feb 1993 **Advanced Fire/Arson Investigation**
IAAI, Oregon Chapter, Ashland, Oregon (24 hours)

Dec 1992 **Computer Fire Modeling Training**
National Institute of Standards & Technology
Building and Fire Research Department
Gaithersburg, Maryland (40 hours)

Jul 1992 **Advanced Fire Technology Training**
University of Maryland, Department of Fire Protection Engineering, College
Park, Maryland (80 hours)

Feb 1992 **Fire Investigation 1-A**
California State Fire Marshal (40 hours)

Sep 1991 **Fire Investigation 1-B**
California State Fire Marshal (40 hours)

Mar 1990 **Advanced Fire/Arson Investigation**
Sponsored by Denver Fire Department
Denver, Colorado (40 hours)

Jul 1989 **Bureau of ATF New Agent Training (NAT-908)**
FLETC, Glynco, Georgia (8 weeks)

Nov 1988 **Explosives Recognition**
BATF, San Francisco (24 hours)

Aug 1988 **Criminal Investigators School**
FLETC, Glynco, Georgia (8 weeks)

SPECIALIZED TRAINING PRESENTED:

Jun 2014 **Investigation of Fully Involved, Ventilation-Limited and Elevated Fires**
Tualatin Valley Fire and Rescue Investigation Seminar
Tigard, Oregon (8 hours – 16 students)

Mar 2014 **Investigation of Fully Involved, Ventilation-Limited and Elevated Fires**
Kansas City Arson Task Force, 2014 seminar
Independence, Missouri (8 hours – Approx. 110 students)

Nov 2013 **Critical Thinking in Fire Investigation/Post-flashover Fires/Elevated Fires**
East Texas Arson Investigators' Association, Longview, TX (8 hours – Approx. 140 students)

Oct 2013 **Investigation of Ventilation-Controlled / Post-Flashover/Elevated Fires**
Canadian Advanced Fire, Arson & Explosion Training Program presented by Fire Facts, Inc., Toronto, Canada (7 hours, - Approx.80 students)

Sep 2013 **Investigation of Post-flashover and Elevated Fires**
Iowa Chapter of the IAAI, 2013 seminar
Ames, Iowa (8 hours – Approx. 100 students)

Sep 2013 **Investigation of Post-flashover and Elevated Fires**
Dane County, Wisconsin Arson Project Seminar
Madison, WI (8 hours – Approx. 40 students)

Sep 2012 – **Fire Dynamics / Fire Modeling**
Aug 2013 Served as one of two subject matter experts responsible for the subject material

for the rewrite of the National Fire Academy's 9-day school on the subject topic.

- May 2013 **Investigation of Elevated Fires**
Pacific Northwest Fire Investigators' Association 2013 Seminar
Leavenworth, WA (4 hours – Approx. 150 students)
- May 2013 **Critical Thinking for Fire Investigation**
Pacific Northwest Fire Investigators' Association 2013 Seminar
Leavenworth, WA (24 hours – Approx. 60 students)
- Mar 2013 **Beyond Origin and Cause: The Role of the Fire Protection Engineer**
California Conference of Arson Investigators Seminar, San Luis Obispo, CA (Co-
presented with Dr. Fred Mowrer. 4 hours – Approx. 50 students)
- Mar 2013 **Investigation of Elevated Fires**
South Carolina Chapter of IAAI, Columbia, SC (7 hours – Approx. 80 students)
- Feb 2013 **Impact of Ventilation in Fire Investigations**
Insurance Committee on Arson Control (ICAC) Seminar, Destin, FL (1 hour –
Approx. 60 attendees)
- Jan 2013 **Impact of Ventilation in Fire Investigations**
DRI's Fire Science and Litigation Seminar, Scottsdale, AZ (1 hour – Approx. 120
attendees)
- Nov 2012 **Critical Thinking in Fire Investigation / Post-flashover Fires / Elevated
Fires**
South Texas Fire Investigators' Association, South Padre Island, TX
(16 hours - 60 students)
- Nov 2012 **Investigation of Post-Flashover and Elevated Fires**
Fall Training Conference of the Wisconsin Chapter of the IAAI, Wisconsin Dells,
Wisconsin
(8 hours - Approx. 125 students)
- Oct 2012 **Investigation of Ventilation-Controlled / Post-Flashover/Elevated Fires**
Canadian Advanced Fire, Arson & Explosion Training Program, Toronto,
Canada (7 hours, - 80 students)
- Sep 2012 **Critical Thinking in Fire Investigation / Post-flashover/Elevated Fires**
Denver Fire Department's Advanced Fire Investigation Seminar,
Denver, Colorado

- (8 hours – 60 students)
- Sep 2012 **National Fire Academy’s Class on ‘Fire Dynamics and Fire Modeling’**
Served as one of two Subject Matter Experts in designing a new version of the NFA’s Fire Dynamics and Fire Modeling class.
- Jun 2012 **Critical Thinking in Fire Investigation / Post-flashover Fires / Elevated Fires**
Texas Farm Bureau, Waco, TX
(12 hours - 30 students)
- Jun 2012 **Investigation of Elevated Fires**
Northern California Investigators Roundtable, Chico CA
(8 hours - Approx. 20 students)
- Apr 2012 **Investigation of Elevated Fires**
Annual, International Training Conference of the IAAI, Dover, Delaware
(4 hours - Approx. 250 students)
- Mar 2012 **Investigation of Elevated Fires**
California Conference of Arson Investigators, Spring Conference
San Luis Obispo, California (12 hours - 180 students)
- Nov 2011 **Computer Fire Modeling – Fire Dynamics Simulator for Investigators**
Malaysia National Fire and Rescue Department, ‘Bomba’, Kuala Kubu Bahru, Malaysia (72 hours - 30 students)
- Oct 2011 **Investigation of Ventilation-Controlled / Post-Flashover /Elevated Fires**
Canadian Advanced Fire, Arson & Explosion Training Program, Toronto, Canada (9 hours, - 80 students)
- Sep 2011 **Investigation of Ventilation-Controlled, Post-Flashover Fires**
Denver Fire Department’s Advanced Fire Investigation Seminar,
Denver, Colorado
(8 hours – 60 students)
- Sep 2011 **Investigation of Elevated Fires**
Denver Fire Department’s Advanced Fire Investigation Seminar,
Denver, Colorado
(4 hours – 50 students)
- Sep 2011 **Investigation of Ventilation-Controlled, Post-Flashover Fires**

- North Dakota Chapter of IAAI, Fargo, North Dakota (8 hours – 40 students)
- Sep 2011 **Investigation of Elevated Fires**
North Dakota Chapter of IAAI, Fargo, North Dakota (4 hours – 40 students)
- Sep 2011 **Investigation of Ventilation-Controlled, Post-Flashover Fires**
Oregon Chapter of IAAI, Seaside, Oregon (8 hours – 80 students)
- Feb 2011 **Investigation of Ventilation-Controlled, Post-Flashover Fires**
IRIS Fire Investigation, Inc. Training Center, Englewood, Colorado
(8 hours – 30 students)
- Feb 2011 **Investigation of Ventilation-Controlled, Post-Flashover Fires**
Sacramento-Sierra Fire Training Conference, Sacramento, California
(8 hours – 40 students)
- Jan 2011 **Investigation of Elevated Fires**
Presented paper at Fire & Materials 2011 Conference, San Francisco, California
- Oct 2010 **Investigation of Ventilation-Controlled, Post-Flashover Fires**
Canadian Advanced Fire, Arson & Explosion Training Program, Toronto,
Canada (4 hours, - 60 students)
- Oct 2010 **Forensic Science and Fire Investigation – The State of the Profession**
Texas Appellate Court Forensic Science Seminar, Austin, Texas (1 hour - 100
participants)
- Sep 2010 **Clean Burn Fire Patterns – A New Perspective for Investigators**
Int'l Symposium on Fire Investigation Science and Technology (ISFI), University
of Maryland, College Park, Maryland (1 hour - 50 students)
- Sep 2010 **Understanding Post-flashover Fire Behavior**
Nebraska Chapter of the IAAI, Hastings, Nebraska
(8 hours - 100 students)
- Sep 2010 **Understanding Post-flashover Fire Behavior**
Montana Chapter of the IAAI, Billings, Montana
(8 hours - 60 students)
- Sep 2010 **Understanding Post-flashover Fire Behavior**
California Conference of Arson Investigators, San Francisco Roundtable,
Tiburon, California

- (8 hours - 50 students)
- Aug 2010 **Understanding Post-flashover Fire Behavior**
Tennessee Chapter of the IAAI, Pigeon Forge, Tennessee
(4 hours - 100 students)
- July 2010 **Clean Burn Fire Patterns – A New Interpretation**
Presentation of paper at Interflam 2010, University of Nottingham, England (1 hour)
- May 2010 **Maritime Fire Investigation**
Annual, International Training Conference of the IAAI, Orlando, Florida
(8 hours – Approx. 100 students)
- May 2010 **Post-flashover Fire Behavior and Investigation:**
Michigan Chapter of the IAAI, Mt. Pleasant, Michigan
(8 hours - 120 students)
- Oct 2009 **Fire Dynamics / Understanding Post-Flashover Fire Behavior**
Hawaii Chapter, IAAI 2009 Seminar, Honolulu, Hawaii (16 hours - 25 students)
- Oct 2009 **Fire Dynamics / Understanding Post-Flashover Fire Behavior**
Arkansas Chapter of the IAAI Annual Seminar, Eureka Springs, Arkansas (16 hours - 120 students)
- Sept 2009 **Marine Fire Investigation**
Louisiana Chapter of the IAAI Annual Seminar, Lafayette, Louisiana
(16 hours - 50 students)
- Aug-Oct 2009 **CFITrainet Module on Marine Fires**
Served as the principle subject matter expert for the first of several planned training modules regarding **Marine Fires**. Provided specialty material, photographs, reference writings and expertise in the preparation of the scripts and information used in the creation of that module.
- Jun 2009 **Understanding Post-Flashover Fire Behavior**
Case Forensics, Corp. Seminar, Mountlake Terrace, Washington
(4 hours - 15 students)
- Summer 2009 **Fire Protection Structures and Systems**
2009 summer semester, Cogswell Polytechnic College, Sunnyvale, CA (presented online for entire semester)

- May 2009 **Progressive Burn Pattern Development in Post-Flashover Fires**
International Training Conference of the IAAI, Arlington, Texas
(4 hours - 120 students)
- Apr 2009 **Improving the Understanding of Post-Flashover Fires**
Annual conference of the Alberta Fire Investigators Association, Edmonton, Alberta (12 hours -100 students)
- Mar 2009 **Improving the Understanding of Post-Flashover Fires**
Annual conference of the Kansas City Arson Task Force, Kansas City, Missouri
(8 hours - 120 students)
- Feb 2009 **Fire Dynamics / Arc Mapping / Understanding Post-Flashover Fire Behavior**
Annual conference of the Northern Zone, Illinois Chapter of the IAAI, Moneka, Illinois (16 hours - 100 students)
- Feb 2009 **Fire Dynamics / Arc Mapping / Understanding Post-Flashover Fire Behavior**
Annual conference of the Kansas Chapter of the IAAI, Topeka, Kansas
(12 hours - 150 students)
- Jan 2009 **Progressive Burn Pattern Development in Post-Flashover Fires**
Presented paper to Fire & Materials 2009, San Francisco, California
(1 hour - 50 attendees)
- Spring 2009 **Fire Dynamics**
2009 spring semester, Cogswell Polytechnic College, Sunnyvale, CA (presented online for entire semester)
- Nov 2008 **Improving the Understanding of Post-Flashover Fires**
Travelers Insurance Subrogation/Large Loss Group, Pewaukee, Wisconsin
(4 hours - 60 students)
- Nov 2008 **Understanding Post-Flashover Fire Behavior**
2008 Fall Conference of the California Conference of Arson Investigators
(4 hours - 55 students)
- Oct 2008 **Understanding Post-Flashover Fire Behavior**
Canadian Advanced Fire, Arson & Explosion Training Program, Toronto, Canada (4 hours - 75 students)

- Sep 2008 **Improving the Understanding of Post-Flashover Fire Behavior**
 Small Group Seminar IX, Sponsored by *Core Engineering, Forensic Fire Analysis, Summit Engineering & Investigative Forensic Specialists*, Charleston, South Carolina (6 hours - 40 students)
- July 2008 **CFITrainer.net Module on Post-flashover Fire Behavior**
 Helped design and execute three fire tests in instrumented compartments at the ATF Fire Research Laboratory, Ammendale, MD to support the filming and production of the CFITrainer.net module on *Post-flashover Fire Behavior*. Also assisted as the subject matter expert in the preparation of the scripts and reference material used in the creation of that module.
- May 2008 **Improving the Understanding of Post-Flashover Fire Behavior**
 Int'l Symposium on Fire Investigation Science and Technology (ISFI), University of Cincinnati, Cincinnati, Ohio (1 hour -50 students)
- May 2008 **Understanding Post Flashover Fires**
 Washington IAAI and Northwest Fire Investigators Annual Conference, Leavenworth, Washington (4 hours - 100 students)
- May 2008 **Testifying as an Expert Witness**
 International Training Conference of the IAAI
 Denver, Colorado
 (1 hour - Approx. 100 students, co-presented with Deputy DA Michael Cabral, Riverside County, CA D.A.)
- Mar 2008 **Fire/Explosion Investigation**
 Crisis Management for Fire/Explosion Training,
 Federal Law Enforcement Training Center, Brunswick, Georgia
 (4 hours - 35 students)
- Mar 2008 **Understanding Post Flashover Fires**
 Minnesota IAAI Annual Conference, St. Cloud, Minnesota
 (2 hours - 260 students)
- Mar 2008 **Electrical Fire Investigation**
 California Conference of Arson Investigators Spring
 Conference, San Luis Obispo, California (1 hour - Approx. 360 students)

- Mar 2008 **Understanding Post Flashover Fires**
Tualatin Valley Fire and Rescue Academy, Tualatin, Oregon, (4 hours, 30 students)
- Spring 2008 **Fire Investigation and Analysis**
2008 spring semester, Cogswell Polytechnic College, Sunnyvale, California (presented online for entire semester)
- Sep 2007 **Understanding Post Flashover Fires**
2007 Annual Advanced Fire and Arson Investigation Conference of the Denver Fire Department
Denver, Colorado (7 hours – Approx. 100 students)
- Sep 2007 **Understanding Post Flashover Fires**
2007 Annual Conference of the Oregon Chapter of the International Association of Arson Investigators, Bend, Oregon (4 hours - Approx 100 students)
- Summer 2007 **Fire Protection Structures and Systems**
2007 summer semester, Cogswell Polytechnic College, Sunnyvale, California (presented online for entire semester)
- May 2007 **Understanding Post Flashover Fires**
International Training Conference of the IAAI
Victoria, British Columbia, Canada
(4 hours – Approx. 200 students)
- Mar 2007 **Electrical Arc Mapping**
Spring conference of the California Conference of Arson Investigators, San Luis Obispo, California (2 hours - Approx. 100 students)
- Mar 2007 **Understanding Post Flashover Fires**
Spring conference of the California Conference of Arson Investigators, San Luis Obispo, California (4 hours - Approx. 150 students)
- Mar 2007 **Science of Spontaneous Combustion/Self Heating**
Texas Chapter of IAAI Conference
Austin, Texas (4 hours - Approx. 250 students)
- Mar 2007 **Understanding Post Flashover Fires**

Texas Chapter of IAAI Conference
Austin, Texas (8 hours – Approx. 250 students)

- Dec 2006 **ATF and Fire/Arson Investigation**
California State Fire Marshal's Fire Investigation 1-A Class at the College of the Siskiyous Weed, California (4 hours - Approx. 30 students)
- Dec 2006 **ATF and Fire/Arson Investigation**
California State Fire Marshal's Fire Investigation 1-A Class at Shasta College Redding, California (4 hours - Approx. 40 students)
- Aug 2006 **Understanding Post-Flashover Fires**
Presented at the 2006 ATF CFI Recertification training at the Federal Law Enforcement Training Center, Brunswick, Georgia
(4 hours - Approx. 40 students)
- May 2006 **Understanding Post-Flashover Fires**
2006 Annual Conference of the Michigan Chapter of the International Association of Arson Investigators, Midland, Michigan
(4 hours – Approx. 75 students)
- Apr 2006 **Understanding Post-Flashover Fires**
2006 Recertification training for ATF CFIs, Federal Law Enforcement Training Center, Brunswick, Georgia
(4 hours –Approx. 40 students)
- Oct 2005 **Advanced Fire Dynamics and Reconstruction**
2005 Annual Conference of the Nevada Chapter of the International Association of Arson Investigators, Las Vegas, Nevada
(24 hours – Approx. 65 students)
- Jun 2005 **Spontaneous Combustion of a Truck Trailer Load of Ammonium Nitrate Based Explosives**
National Fire Protection Association Annual Meeting,
Las Vegas, Nevada (2 hours - Approx. 50 participants)
- Jan 2005 **ATF and Fire/Arson Investigation**
California State Fire Marshal's Fire Investigation 1-A Class at the College of the Siskiyous, Weed, California (4 hours - Approx. 30 students)
- Sep 2004 **Advanced Fire Reconstruction**
2004 Annual Conference of the Central Oregon Chapter of

the International Association of Arson Investigators,
Bend, Oregon (8 hours - Approx. 85 students)

- Sep 2004 **Advanced Fire Dynamics / Fire Reconstruction**
2004 Annual Advanced Fire and Arson Investigation
Conference of the Denver Fire Department
Denver, Colorado (8 hours - Approx. 130 students)
- May 2004 **Fire Dynamics and Advanced Fire Behavior**
Two, one-week schools presented to the Tennessee State
Fire Marshal's Bomb and Arson Investigator's
Fire Investigator Certification Course, Murfreesboro, Tennessee
(40 hours - Approx. 50 students)
- Apr 2004 **Arson/Explosives Investigation**
Taught to the Arson/Explosives Specialty Course of the California Institute of
Criminal Investigation, Diamond Springs, California
(8 hours - Approx. 25 students)
- Apr 2004 **Introduction to Fire Dynamics**
Co-sponsored by ATF and the Modesto Fire Department / Stanislaus County
Fire Investigators, Modesto, California (20 hours- Approx. 25 students)
- Nov 2003 **An Introduction to Fire Reconstruction and the Scientific Method**
2002 Annual Conference of the Idaho Chapter of the International Association
of Arson Investigators, Post Falls, Idaho (8 hours - Approx. 75 students)
- July 2003 **A Hands on Explanation of Fire Behavior and Fire Scene
Investigation**
2003 summer conference of the California Conference of Arson Investigators,
Seaside, California (8 hours - Approx. 275 students)
- May 2003 **An Introduction to Fire Dynamics**
2003 Annual Northwest Fire and Arson Investigators Conference, Springfield,
Oregon (4 hours - Approx. 60 students)
- Nov 2002 **Arson/Explosives Investigation**
Taught to the Arson/Explosives Specialty Course of the California Institute of
Criminal Investigation, Diamond Springs, California
(8 hours - Approx. 25 students)
- Sep 2002 **Fire Reconstruction in the Scientific Method**
2002 Annual Conference of the Central Oregon Chapter of the International

- Association of Arson Investigators, Bend, Oregon
(8 hours - Approx. 110 students)
- Apr 2002 **Complex Arson Investigation and Arson for Profit**
Co-sponsored by ATF and the Sacramento-Sierra Arson Task Force,
Sacramento, California (24 hours - Approx. 24 students)
- Apr 2002 **Fire Dynamics for Advanced Fire Investigation**
2002 Annual Fire and Arson Investigation Conference of the Alaska Fire and
Arson Investigators Association, Sitka, Alaska (20 hours - Approx. 20 students)
- Mar 2002 **Fire Dynamics for Advanced Fire Investigation**
2002 Conference of the Minnesota Chapter of the International Association of
Arson Investigators, St. Cloud, Minnesota (8 hours - Approx. 200 students)
- Oct 2001 **Fire Dynamics for Advanced Fire Investigation**
2001 Conference of the Nevada Chapter of the International Association of
Arson Investigators, Las Vegas, Nevada (8 hours - Approx. 80 students)
- Sep 2001 **Fire Dynamics for Advanced Fire Investigation**
2001 Annual Advanced Fire and Arson Investigation
Conference of the Denver Fire Department
Denver, Colorado (8 hours - Approx. 150 students)
- Nov 2000 **Current Trends in Fire Investigation – Application of the Scientific Method
as related to Fire Science**
Annual Conference of the Hawaii Chapter of the International Association of
Arson Investigators, Honolulu, Hawaii (20 hours)
- Aug 2000 **Current Trends in Fire Investigation – Application of the Scientific Method
as related to Fire Science**
Annual Conference of the Alaska Conference of Arson Investigators, Anchorage,
Alaska (4 hours)
- May 2000 **Fire Dynamics/Computer Fire Modeling**
Graduate Fire Science Class, University of New Haven, at Sacramento, California
(3 hours - Approx. 15 students)
- Mar 2000 **Fire Dynamics**
Sacramento Area Fire Investigation Task Force
Roseville, California (8 hours)
- Mar 2000 **InterFIRE VR**

- Fire Department Instructors Conference, Sacramento, California (1 hour)
- Jan 2000 **Current Trends in Fire Investigation – Application of the Scientific Method as related to Fire Science**
2000 Semi-Annual Conference of the California Conference of Arson Investigators, San Luis Obispo, California (4 hours)
- Nov 1999 **Arson Investigation**
California Institute of Criminal Investigation, Los Angeles County Sheriff's Department, Santa Clarita, California
- Oct 1999 **ATF and Fire / Arson Investigation**
California State Fire Marshal's Fire Investigation 1-A Class at Sierra College, Roseville, California (4 hours, 30 students)
- Sept 1999 **Fire Origin and Cause Investigation**
ATF National Audit Conference, Orlando, Florida (8 hours - 30 students)
- Sept 1999 **Fire Investigation 1-A: Cause & Origin** (portion thereof) 4 hours, 30 students
Sierra College, Roseville, California
- May 1999 **Fire Dynamics/Computer Fire Modeling**
Graduate Fire Science Class, University of New Haven, at Sacramento, California (3 hours - 20 students)
- Apr 1999 **Fire Origin and Cause Investigation**
1999 Bi-Annual California District Attorney's Association Arson Prosecution Conference, Sacramento, California (8 hours - 50 students)
- Nov 1998 **Advanced Fire Scene Investigation**
1998 Annual Washington State IAAI Conference, Spokane, Washington (8 hours - 60 students)
- Feb 1998 **Computer Fire Modeling**
Graduate Fire Science Class, University of New Haven, at Sacramento, California (3 hours - 20 students)
- Sep 1997 **Advanced Fire Scene Investigation**
1997 Annual Conference of the Denver Fire Department
Denver, Colorado (8 hours - 120 students)

- Sep 1997 **Fire Dynamics/Computer Fire Modeling**
Salt Lake Metro Fire Investigators Association
Salt Lake City, Utah (8 hours - 40 students)
- Dec 1996 **High Temperature Accelerants**
San Francisco Bay Area Roundtable
California Conference of Arson Investigations
Livermore, California (4 hours - 20 students)
- Dec 1996 **Advanced Cause and Origin Investigation**
Sacramento Area Fire Investigators Association
Placerville, California (8 hours - 40 students)
- Sep 1996 **Advanced Cause and Origin Investigation**
1996 Annual Conference of the Denver Fire Department
Denver, Colorado (8 hrs - 125 students)
- Sep 1996 **High Temperature Accelerants**
1996 Annual Conference, Nevada Chapter, IAAI, Las Vegas, Nevada
(4 hours - 50 students)
- Sep 1996 **Fire Dynamics / Fire Chemistry**
ATF Certified Fire Investigator Training (Class 5)
University of Maryland, College Park, Maryland
(16 hours - 30 students)
- Apr 1996 **Fire Dynamics/Computer Fire Modeling**
Oregon Fire Marshal's Annual Conference, Bend, Oregon
(4 hours - 75 students)
- Apr 1996 **Fire Investigation - The Branch Davidian Fire**
California Conference of Arson Investigators
Sacramento, California (2 hours - 25 students)

ATF and Sacramento Area Fire Investigators
Sacramento, California
- Feb 1996 **Fire Dynamics/Computer Fire Modeling**

- 1996 Annual Conference, Oregon Chapter, IAAI, Medford, Oregon
(8 hours - 80 students)
- Oct 1995 **Fire Dynamics/Computer Fire Modeling**
New Orleans Area Arson Task Force (8 hours, 75 students)
- Sep 1995 **High Temperature Accelerant Fires**
1995 Annual Conference, Washington State Chapter IAAI,
Tumwater, Washington (8 hours - 80 students)
- Sep 1995 **Advanced Analytical Interviewing Techniques**
ATF and Sacramento Area Fire Investigators Sacramento, California
(8 hours - 30 students)
- Jun 1995 **California Fire Investigation 1-A**
Fire Dynamics & Fire Modeling
Rocklin Fire Department, Rocklin, California
- May 1995 **High Temperature Accelerants**
1995 Annual Conference
Michigan Chapter, IAAI, Kalamazoo, Michigan
- Apr 1995 **Fire Investigation 1-A**
Cause & Origin (portion thereof)
California State Fire Marshal, Kings Beach, California
(4 hours - 30 students)
- Apr 1995 **High Temperature Accelerant Fires**
Florida Advisory Commission on Arson Prevention
Ocala, Florida (8 hours - 60 students)
- Feb 1995 **High Temperature Accelerant Fires**
1995 Annual Conference, Oregon Chapter, IAAI, Medford, Oregon
(8 hours - 75 students)
- Jan 1995 **Advanced Arson Investigation**
ATF Arson Training, San Francisco, California (16 hours - 30 students)
- Nov 1994 **Trojan Explosives Factory Explosion and Fire**
Int'l Association of Bomb Technicians & Investigators
San Francisco, California
(4 hours - 80 students)

- Oct 1994 **High Temperature Accelerant Fires**
International Association of Chiefs of Police, Albuquerque, New Mexico
(4 hours - 60 students)
- Jul 1994 **High Temperature Accelerant Fires**
1994 Summer Conference, California Conference of Arson Investigators
Fresno, California
(4 hours - 125 students)
